Natarajan, former Director, IIT, Madras and presently Chairman, AICTE, Prof. Ashok Chandra, former Special Secretary, Department of Secondary and Higher Education and others also was constituted to review funding of IITs.

Based on the experience of implementation of the Block Grant Scheme and international trends, the Committee recommended a shift to formula based non-plan funding for IITs with outcome focus. Broad principle being that similar activities should be funded at similar rates and any variation should be based on sound and justifiable reasons.

The Committee also recommended that plan grants for infrastructure renewal or expansion should be based on institutes' perspective plans and their performance in reaching milestones as per those plans. The Committee recommended a performance-linked grant to promote initiative and competition.
